# EVERPRINT LIGHT COATED

REBECCA Life

Pour des impressions éco-responsables de haute qualité Everprint Light Coated est un papier fabriqué avec des fibres de cellulose 100% recyclées, post consommateur. Son état de surface, à la fois couché et satiné, garantit des résultats d'impression exceptionnels en offset. Sa blancheur naturelle, permet un champ élargi de restitution des couleurs et des nuances. Son satinage léger, lui confère un toucher très soyeux et assure un grand confort de lecture. Certifié FSC recyclé et fabriqué en France, Everprint Light Coated est disponible du 80 au 300 g/m<sup>2</sup> pour s'adapter à toutes les applications : plaquettes commerciales ou institutionnelles, rapports annuels, journaux, revues, catalogues, beaux livres, calendriers...

For high quality eco-responsible prints Everprint Light Coated is a paper made with 100% recycled, post-consumer cellulose fibres. Its surface finish, both coated and satin-finish, guarantees exceptional offset printing results. Its natural whiteness, 95 CIE, allows a wider range of colours and shades to be reproduced. Its light satin finish gives it a very silky touch and ensures great visual comfort. Certified FSC recycled and manufactured in France, Everprint Light Coated is the signature of high quality eco-responsible prints. Everprint Light Coated is available from 80 to 300 gsm to suit all applications: commercial or institutional brochures, annual reports, newspapers, magazines, catalogues, beautiful books, calendars...
